False and Misleading Statements

Dear Shane

Thank you for your letter clarifying the position of the union Single Bargaining Unit (SBU) in relation to the false and misleading statements made by a State Branch (or branches) of the CEPU.

Telstra appreciates your prompt attention to the concerns raised and your assurances, in particular your undertaking that you will address these issues directly with Mr Dwyer and the retraction that I note was issued to members today.

Whilst it is disappointing that false and misleading statements of this nature were made at all, Telstra accepts your explanation and we will continue to focus on bargaining in good faith with the SBU.

Yours faithfully
